

The Christian Action Commission is sponsoring the inaugural Christian Leadership Institute (CLI) at Blue Mountain College July 9-13, 2018. High school young men will check in Monday afternoon and check out Friday afternoon.

They will hear a variety of speakers during the five days challenging them to consider public service and fulfill their civic duty from a Biblical World View. We will begin with Dr. Jim Futral Monday night, and Tate Reeves, the Lt. Governor, Tuesday morning. Bible study each day will be led by Dr. Ronald Meeks, Chairman of the Bible Department at Blue Mountain College.

Each young man will be part of one of six teams led by a discipleship coach who will be with them from beginning to end. There will be plenty of recreation and fun.

Jesus sent out the 70, 2 by 2. There are 70 chairs in Travis Hall in Fisher-Washburn Building. Full scholarships are available on a first come, first serve basis. We need you to contact us 601-292-3329 or rmccollum@christianaction.com.

Our theme is “Be the Difference!”
